

Our wine supplier Les Caves de Pyrene has carefully curated this menu to complement our food with superb wines selected from around the world. We both believe in promoting ‘natural’ wines: those that are expressive of their homeland; wines made by hand with minimal chemical intervention; and where the winemaking shows maximum respect for the environment.

We believe in the importance of ‘terroir’, indigenous grapes, diversity and organic viticulture. Above all, wines of character. Our wine menu champions small, independent winemakers, the hardy souls who put their love and life’s work into the bottle to deliver a unique and inspiring product.
