

Events at The National Café

Situated in the east wing of the iconic National Gallery, it is one of the largest event spaces within the gallery and benefits from its own private entrance overlooking St Martin-in-the-Fields.

Located a mere five minutes walk from the West End, The National Café is the perfect location for a large variety of events such as press night parties, dinner entertaining, corporate receptions and private celebrations.

The stunning space, recently redesigned by Paris-based Belgian designer Ramy Fischler features artwork from the gallery providing a unique and stunning backdrop for events up to 500 people for a standing reception and 100 people for a seated dinner.

We are now offering a special package price for events taking place on a Monday or Saturday night, in addition to creating bespoke packages to fit your event needs.
