## BLACK TEA

---

### ENGLISH BREAKFAST

The secret to a superlative British cuppa is getting the balance of black teas just right, from the robust and malty ones with their complex flavours, to the delicate and aromatic types that work on your taste buds and quench your thirst. Origin: Sri Lanka, India, China

### EARL GREY

Perhaps even more so than with English Breakfast tea, getting the right balance is essential to the perfect Earl Grey blend. Our superior version pairs the unique characteristics of fine Chinese and Indian black teas with the distinctive citrusy fragrance of bergamot oil. This produces a refreshing and full-bodied tea. Origin: India

### ASSAM SECOND FLUSH

While the first flush Assam pickings produce the most delicate teas, the second flush leaves and buds gives richer, maltier flavours. Origin: Assam Region, India

### DARJEELING LEAF FIRST FLUSH

At 1200 meters, the tea plantations of Darjeeling are cool and damp, the perfect environment for growing tea. Made with only the first flush of leaf buds, this subtle but characterful organic tea is rightfully known as the 'Champagne of teas'. Origin: Darjeeling, India

### LAPSANG SOUCHONG

Large Souchong leaves are roasted and then smoked over rich, resinous pine wood to create this distinctively bright and complex smoky tea. Origin: China

### VENETIAN ROSE

A beautifully balanced blend of Indian, Chinese and Sri Lankan black teas scented with dried rose buds to create a rich and floral tea. Equally lovely with or without milk. Origin: Sri Lanka, India, China

## GREEN TEA

---

### GARDENIA

An intriguing blend of Japanese green tea and green and white China teas, flavoured with dried berries and apricots pieces and scented with cornflower and jasmine blossoms. Origin: Japan and China

### JASMINE CHUNG HAO

Once reserved solely for the Emperor's Imperial Court, this refined and aromatic tea is produced from delicate silvery buds and the finest flowers. Origin: Fujian, China

### ORGANIC FOG

In the mountains of China's Jiangxi Province the ever-present mists envelop the tea plantations and create the perfect conditions for delicate sweet teas like this to develop. Origin: Jiangxi Province, China

## HERBAL & FRUIT INFUSIONS

---

### CHAMOMILE FLOWERS

Freshly picked whole chamomile flowers, quickly dried to retain all their delicate, grassy flavour. A soothing, calming brew. Origin: Croatia

### ELDERFLOWER & GINGER

A powerful blend of fragrant elderberries, elderflowers and mallow blossoms balanced with spicy ginger, cardamom, cinnamon and bruised pepper. Delicious hot or cold. Origin: Mixed

### ORGANIC PEPPERMINT LEAF

Pure, natural peppermint leaf, unsweetened and bursting with flavour. Perfect as a palate-cleansing after-dinner 'tisane' or equally good over ice. Origin: USA

### VANILLA CHAI

A smooth and warming chai that balances aromatic spices – cinnamon, ginger, cardamom and pepper with rooibos, vanilla and cornflowers. Origin: South Africa

### WILD BERRIES

A punchy tea blending blackcurrant, blueberry, elderberry, strawberry and raspberry pieces with exotic papaya and hibiscus blossom. Origin: Mixed

### ORGANIC ORANGE ROOIBOS

Finest quality organic rooibos mixed with pieces of dried natural orange zest. Light and fragrant with a zesty edge. Origin: South Africa
